

**ORTHO®**

# DIAL N SPRAY®

**HOSE-END SPRAYER**

It is easier than ever to spray liquid weed killers, insect killers, fungicides and fertilizers.

## HOW TO USE ORTHO® DIAL N SPRAY®

Set dial

Pour liquid into sprayer jar

Screw applicator with suction tube onto jar

Connect to hose and squeeze trigger to spray

Return unused liquid back into original container

### TO CLEAN

Rinse and fill jar with water. Clean sprayer by squeezing and releasing trigger in short bursts for 30 seconds.
